proof of concept  
quality of the paper

chapter 28

Documentary  
Production  
Services

Yes, we did.

Then we'll retract our search of orphanages and religious buildings from now on.

Why? There could be children who will get admitted later on.

This project cannot be leaked to any other country. It is top secret.

The longer our tail is, the easier it is for us to get caught. Retract those locations.

Yes... I understand.

Oh, speaking of top secret, one more thing.

Downloaded from [www.pdfdrive.net](http://www.pdfdrive.net)

Sunbae, I heard that you had a daughter recently.

Hmm?

What do you mean, "recently"? It's already been a year since she's been born. I'm living this life thanks to her.

Hehe. What's her name?

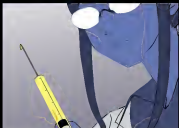

Eun-ah.

Go Eun-ah.

If you want to hide a tree,  
hide it in a forest.

When I saw the darkness  
of this world,

I wondered again and again,  
“would they survive?  
Or would they not?”

Heart rate is falling!

check the vital signs!

Stop the test!

Stop the test!

Continued from  
Heart Failure  
by Dr. David

His heart has stopped! Bring the defibrillator!

counterschock  
set at 200  
joules! 3! 2!

His breathing  
has stopped!

knock!

knock!

His name is...

Maybe this way

Just maybe...

This is the way  
things should be.
